

Virtual Day Trips Sgraffito Tiles

You will need:

- a square of sturdy card
 - brightly coloured crayons (you can also use oil pastels)
 - dark coloured crayon, oil pastel OR Indian ink
 - a tooth pick (you could also use a fork, pen lid or a dip pen for scraping)
- from the Italian word 'graffiare' - TO SCRATCH!
you'll also need a brush too!

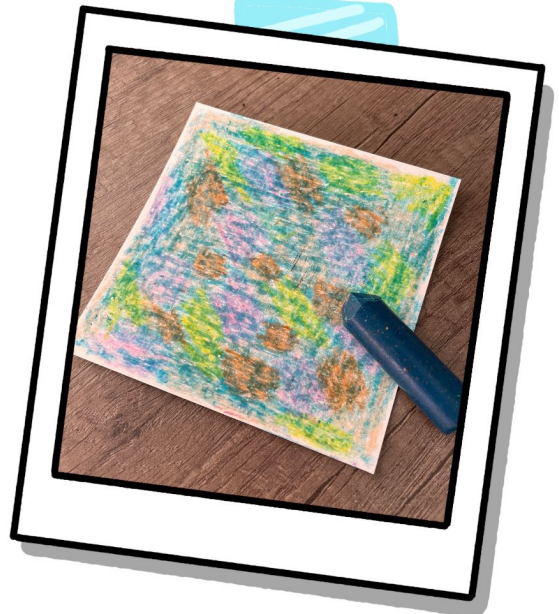

Step One

Use the coloured crayons to cover the whole piece of card - the more colourful the BETTER!

Step Two

Now cover the background in a layer of dark crayon

Step Three

IF you are using Indian ink, leave it to dry completely before continuing.

Step Four

Use your scratching tool to scratch a pattern OR drawing into the dark layer, revealing the colourful layer underneath!
