## ACTIVITY SHEET

→ a Step by step guide ←

at WOODS MILL

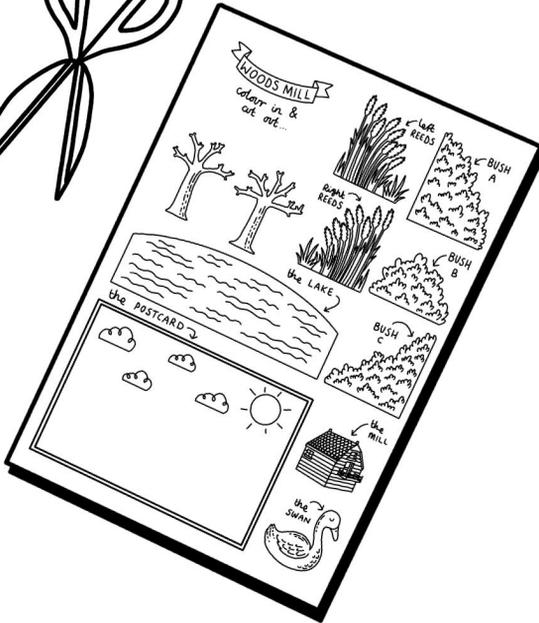

make your own <sup>picture save</sup> POSTCARD

You will need: POSTCARD collage sheet /  
COLOURING PENCILS or FELT TIPPED PENS /  
SCISSORS | GLUE STICK | A6 CARD

1

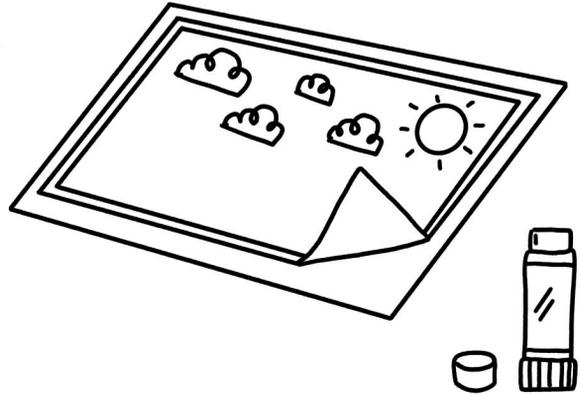

Colour in  
and cut out  
all the  
pieces.

2

Stick the POSTCARD  
base to the CARD.

3

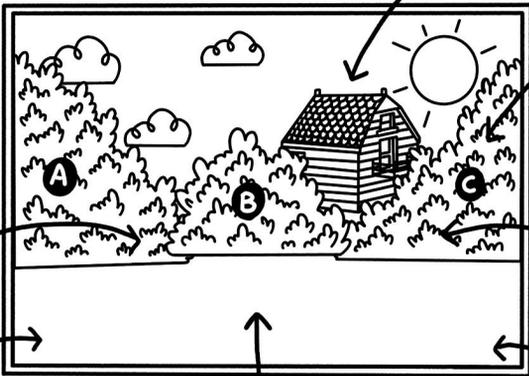

Stick all the layers  
onto the base in the  
following ORDER :-

the TREES  
are THIRD

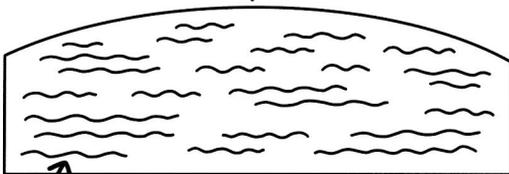

stick the  
MILL FIRST

the BUSHES  
are  
SECOND

the REEDS  
are FIFTH

the LAKE is FOURTH

WOODS MILL

↑ stick this  
on if you like

stick the SWAN  
on LAST

### optional EXTRAS

★ use the COLLAGE sheet  
as a template, using it  
as a guide to cut out  
pieces from scrap paper :-  
wrapping paper, newspaper,  
magazines, old cards etc...  
This will give it texture  
and will be unique!

★ use FOAM STICKY PADS  
when building your layers  
to give it a 3D effect!

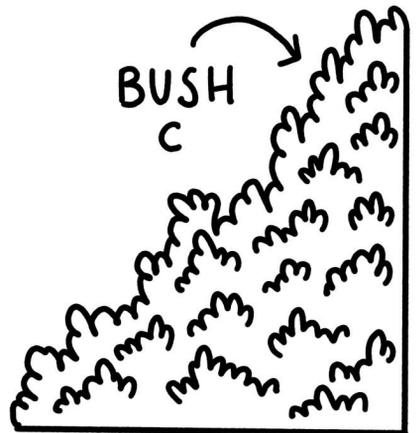

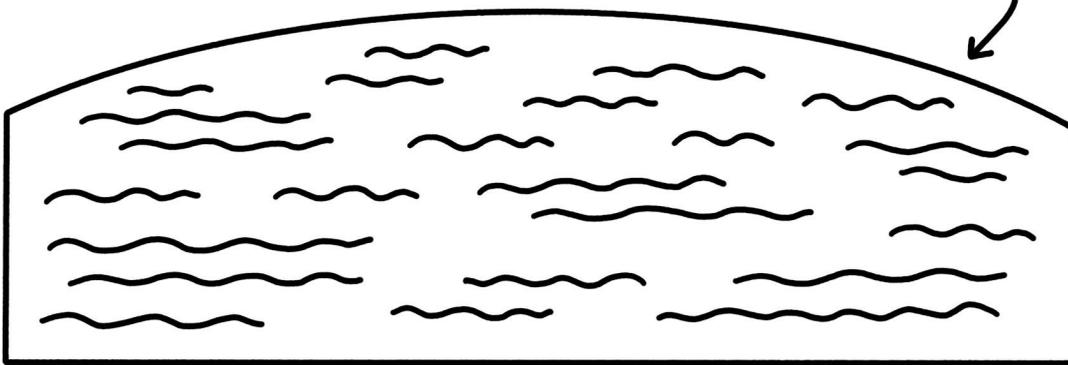

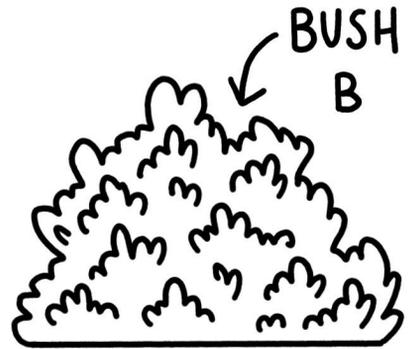

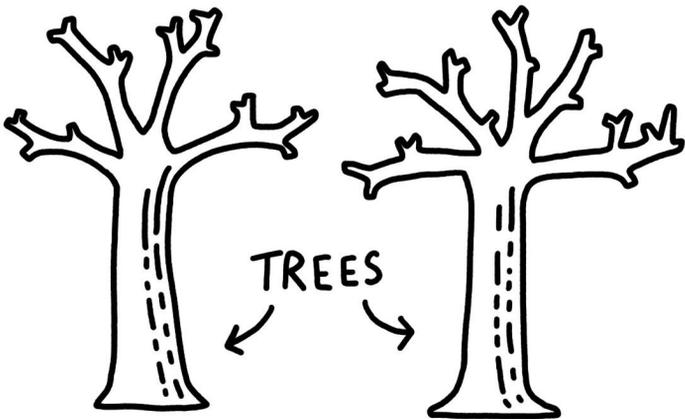

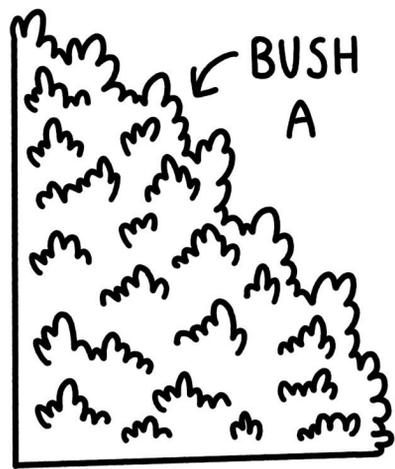

★ stick it on a blank  
card and make it into a  
THANK YOU NOTE or a  
BIRTHDAY CARD!
