

Virtual Day Trips Paper Posy

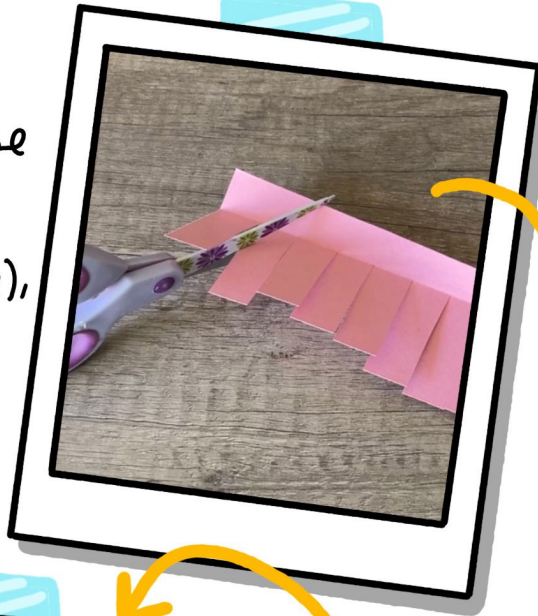

You will need:

- a strip of coloured paper (approx 30x7cm)
- A5 piece of green paper
- Glue stick
- Sticky tape
- Scissors
- Dowel OR knitting needle (optional)
- More green paper for leaves (optional)

Step One

Fold and crease the paper strip along the long edge (2cm wide), then cut strips along it - only cutting up to the fold line.

Step Two

Use the knitting needle to loosely roll each section into a curl.

Step Three

Spread glue onto the green paper then roll into a tube. Secure with tape.

Step Four

Stick the curled strip onto the top of the stalk. Wind the strip down the stalk and fix in place with tape.

OPTIONAL: add some green paper leaves!
